WORK EXPERIENCE

Daraz, Bangladesh

2020 - PRESENT

E-Commerce Seller

- Manage a Daraz storefront with 2,500+ SKUs of imported food, cosmetics, and premium designer fragrances, featuring top global brands such as Louis Vuitton, Chanel, Dior, Prada, Creed, Tom Ford, and more.
- Oversee product listings, pricing, promotional campaigns, and customer engagement to maintain brand presence and drive sales growth using Daraz Seller Center tools and major campaigns (11.11, 12.12, Ramadan), while promoting brands like Almarai across Bangladesh.
- Coordinate procurement and inbound logistics with international and local suppliers, utilizing Excel-based inventory tracking to ensure efficient stock management and timely delivery.

MFC

2020 - PRESENT

Import & Logistics Associate

- Manage end-to-end import operations for fresh fruits and fish from India and Egypt, including logistics, customs clearance, and supply chain coordination.
- Support procurement with supplier liaison, price negotiations, and maintain strong vendor relationships to optimize sourcing and costs.
- Strong expertise in HS codes classification and LC documentation, ensuring smooth customs clearance and compliance.

BSRM

May 2025 - July 2025

Corporate Strategy & Projects Intern

- Lead a team of 5 to implement the fleet management project, ensuring coordinated tasks and on-time execution.
- Contributed to piloting a Facility Management System (FMS) to enhance operational efficiency and oversight.
- Gained end-to-end experience in scrap logistics from port unloading to factory delivery, collaborating with logistics, C&F agents, and scale staff.
