SUMMARY

Seeking for a challenging career in Marketing and gaining experience in the field to utilize my organizational and marketing skills, in order to increase productivity of the organization I am a Razman of all traits and a Master of Some. In my diverse experience of working with multiple people in different companies, I have played almost All roles that a business needs to run numerically and strategically speaking. I have always been a man of Numbers. Hence, the Finance Industry is where I have always seen myself. To Test my Potential and harness my skills, I have tested the waters by working in different industries. As I hoped, It has helped me up-skill tremendously and understand the crux of entrepreneurship, Finance & Business Development. At Present, I am enthusiastically looking forward to work with a company that can Benefit from my Skills.
